

BENWOOD HOMEOWNERS' ASSOCIATION, INC.

ARCHITECTURAL REVIEW COMMITTEE

The Architectural Review Committee ("ARC") reviews all requests for modification to the outside of homes and lots following the original lot improvements. The ARC encourages tasteful and aesthetically pleasing architectural design consistent with the existing structures and landscaping within the Benwood Restrictions. The ARC is concerned with the impact of any improvement to surrounding neighbors and property.

To complete an Application, the resident must submit:

1. A completed Application form in triplicate.
2. A detailed scale drawing, construction plans, or final survey as appropriate, of the improvement (i.e., room addition, garage addition, outbuilding, screened enclosure, landscape redesign, etc.).
3. A thorough description of the changes proposed will facilitate the ARC in arriving at a decision, thereby expediting your Application.

The review process may take up to a month, but every effort will be made to accommodate the desire of homeowners to "get on with their project."

Thank you for your cooperation. Your Application can be dropped off or mailed to:
